THE FUNNY WAITER SHOW

For those looking for something different, the Funny Waiter Show fits the bill.

Combining food-and-drink based comedy routines with his amazing plate spinning skills, Park treats his spectators to a delightful and novel smorgasbord of entertainment. You'll witness that eternal question, "Chicken or Beef?" finally answered.

Behold an epic water drinking contest as Park challenges a volunteer – no spills allowed, of course! Whether you see lemons or marshmallows catapulted into the air, or an entire pitcher of water placed delicately on a volunteer's head, there is no question this is a show like nothing you've ever seen before! Serving up laugh after laugh, this original performer will treat your next audience to a unique and memorable comedy spectacle.
